For the coaching relationship to work, Coach and Leader both agree to the following:

1. The coaching relationship is important to both Coach and Leader – and both parties are committed to achieving the goals outlined above.
2. Coach and Leader will attend all coaching sessions on time.
3. Leader commits to the full period of coaching, unless goals are achieved sooner.
4. If either party requests rescheduling a coaching session, the requesting party will do so with at least 48 hours prior notice.
5. During coaching sessions, Leader will be present, with no external distractions (cell phones, other people, email, etc.).
6. Leader will complete any assignments that she/he agrees to do, on time.
7. The parties will both be open and honest during the sessions, which includes giving advice about maximizing the value from sessions. If at any time, Leader or Coach does not see value in the engagement, the priorities change for the coaching, the parties will discuss this immediately and change course or discontinue the engagement after obligations are fulfilled.
8. The Coach is available via text or email at any time. 24-hour responsiveness can be expected. Coach's mobile number is 540.226.3003.

- 9. The goal is that the Leader succeeds and achieves the goals, objectives, & key results established in this engagement.** If Leader does not believe that this is possible based on the goals outlined, Leader is asked to provide feedback and the engagement will be revisited.
- 10.** The Leader agrees that their email address may be entered into a Leader coaching record log maintained by the Coach solely for the purposes of meeting training and credentialing record keeping requirements of the International Coach Federation (ICF). The Leader acknowledges and agrees that the ICF may contact the Leader to verify that coaching has taken place. The Coach will not disclose any details of the content of coaching sessions to the ICF.

To begin the coaching relationship, please also read the following: Some or all of these may apply to Leader:

1. As a Leader, I understand and agree that I am fully responsible for my physical, mental and emotional well-being during my coaching calls, including my choices and decisions. I am aware that I can choose to discontinue coaching at any time.
2. I understand that “coaching” is a Professional-Leader relationship I have with my coach that is designed to facilitate the creation/development of personal, professional or business goals and to develop and carry out a strategy/plan for achieving those goals.
3. I understand that coaching is a comprehensive process that may involve all areas of my life, including work, finances, health, relationships, education and recreation. I acknowledge that deciding how to handle these issues, incorporate coaching into those areas, and implement my choices is exclusively my responsibility.
4. I understand that coaching does not involve the diagnosis or treatment of mental disorders as defined by the American Psychiatric Association. I understand that coaching is not a substitute for counseling, psychotherapy, psychoanalysis, mental health care or substance abuse treatment and I will not use it in place of any form of diagnosis, treatment or therapy.
5. I promise that if I am currently in therapy or otherwise under the care of a mental health professional, that I have consulted with the mental health care provider regarding the advisability of working with a coach and that this person is aware of my decision to proceed with the coaching relationship.
6. I understand that information will be held as confidential unless I state otherwise, in writing, except as required by law.
7. I understand that certain topics may be anonymously and hypothetically shared with other coaching professionals for training or consultation purposes.
8. I understand that coaching is not to be used as a substitute for professional advice by legal, medical, financial, business, spiritual or other qualified professionals. I will seek independent professional guidance for legal, medical, financial, business, spiritual or other matters. I understand that all decisions in these areas are exclusively mine and I acknowledge that my decisions and my actions regarding them are my sole responsibility.

Signatures on this Agreement indicate the Coach and Leader have both read and agree to the terms of this Agreement. The parties further commit to maximizing this engagement for Leader's success and benefit.
